

AR 50

OWNER'S MANUAL

Arrow Rest AR 50 is our simplest arrow rest ever. Made out of high-strength aluminium alloy, this arrow rest is guaranteed to last a lifetime. Offering both horizontal and vertical adjustments and infinitely adjustable launcher blade angles, tuneability is easy. Secure locking to retain repeatability.

Features

- Adjustable and Lockable.
- Simple and easily readable scales.

Specification

- Easily adjustable Windage and Elevation.
- Precision marked blade angles at 35 degrees to 45 degrees. Blades available in 4 mm, 5 mm and 6 mm wide.

User guide

- Use 3/16" Allen key to mount AR 50 to the bow.
- Using 2 mm Allen key provided, tighten the grub screw to secure.
- Use 3 mm Allen key to adjust elevation and windage. Loosen the lock screw and adjust as per requirement. Tighten lock screw to secure.

Warranty

Warranty against defects in material for 12 months. The Company is not liable for any consequential or incidental damages occurring due to improper usage of the product.
